

FK · FS · SÜ · ROBIMAT · HG

ROBUST AND SECURE

High Security Vending Machines
for Drinks and/or Snacks

HIGH SECURITY SERIES

The concept

In locations where a rugged design is the prerequisite for successful vending, the high security versions of our vendors is the right choice.

FK 280 EC High Security

SÜ 2020 High Security
*(also available as
LM- und 2T-version)*

FS 1500 High Security
(with anti-vandalism panel)

Robimat 75 EC
High-Security

Hot Drinks vendors
High-Security

The features:

- Stainless steel operator panel
- Coin insert slide and coin return drum
- Locking lever protection and KESO-lock
- Hinge protection
- Shutter (hot drinks vendors)
- Anti-vandalism panel for the FS/SÜ 2020, FS/SÜ 1500 as an option;
as a regular part of the high security version of Robimat 75 and 99
- Anti-graffiti RAL-painting for the cabinet and door available as an option
- Depending on the location the machine can be additionally equipped with either a high-security frame and a side lock or a housing.

These features are options only and will be charged separately.
For further technical details please refer to the individual brochures
and the price lists of the respective product range.
